

2011 Teen Intern Program

CCArts seeks honest, motivated, art loving, child friendly, hardworking teens who want to have fun volunteering for our summer camp, and who are **15 years of age or older**. Why not have fun while fulfilling your community service hours? The **Teen Intern Program** at the Center for the Creative Arts is an excellent way for young people to learn about art first hand and gain valuable volunteer and leadership experience. SAGO serves campers age 4 through 9th grade who enjoy visual and performing arts learning opportunities. Classes are from 9:00am-11:30am and 12:30pm-3:00pm, with a one hour lunch in between. Before Care begins at 7:30am and After Care lasts until 5:30pm. Our intern program is volunteer only and requires a processing fee of **\$15 per intern** for the summer.

Interns are an essential part of the SAGO experience, providing valuable assistance as teacher's aides, receptionists, photographers, journalists and caretakers. Interns may also take part in special art projects and are expected to be positive role models for younger students. We require a minimum of a one-week commitment for either half or whole day; up to 10 weeks total. We also welcome before and after-care assistance and lunch help. If you who would like to participate in our **Teen Intern Program**, please mail the coupon below to CCArts to get your Intern application and schedule an interview. Thank you for your interest!

Sincerely,

Becky Eppig
